

Are you ready for something hot?

Willow Springs, proud home to “2009 World Red Chili Champion Maureen Barrett” hosts its Inaugural International Chili Society Regional Cook Off on Saturday, August 14, 2010!

Cooks from across the country will compete in the beautiful wooded backdrop of Willow Springs, Illinois. A day of entertaining activities is planned for all!

The Chili Committee is busy designing aprons for the event. Any sponsors pledging \$250 or more will have their very own company name on the apron. The aprons will be worn by all the cooks that participate in this event and a limited supply will be for sale. With your contribution of \$250 or more you will receive an apron free! Get on the ground floor of a new tradition and become part of history in the making.

With the notoriety of being the home to the reigning International Chili Society's World Red Chili Champion, the Committee hopes to make this event equally successful. Please join us in being part of this event.

Sponsorship applications and checks must be returned by Monday, June 21st to ensure that your name appears on the Commemorative Aprons along with the Event Advertising.

Thank you for considering this opportunity. We look forward to working with you to make this the best Chili Cook off Ever!
